DEDICATION

Coach James G. Garrison

Athletic Director of Chowan College

Coach Garrison talks to his boys at half time.

The 1964 CHOWANOKA is dedicated to Mr. Jim Garrison, Athletic Director and Head Football Coach at Chowan College. Through Coach Garrison's efforts Chowan was able to build a new stadium for the Braves, on which they compiled a very impressive gridiron record for the 1963 football season.

The college is grateful for Coach Garrison's achievements in the field of athletics and is sure that he will continue to help maintain the high standard of Chowan College's athletic program.

Coach Garrison's sportsmanship is revealed in his friendship toward opposing coaches.

DONNIE MATTHEWS

Chowan College was the only school to come up with more than one first team selection on the 1963 All-Star football squad selected by the National Junior College Athletic Association. Chowan had two players, tackle Bob Prince and halfback Donnie Matthews, on the first team. Honorable mention went to Dave Whaley. Chowan's quarterback.

Chowan Star Reaps Honors

MURFREESBORO, N.C.—All-star honors have settled like a "London fog" on Chowan College's star halfback, Donnie Matthews.

The Chowan speedster started by breaking the college's total rushing yardage record by going over the 1,000 mark and was named junior college All-America. Then came the honors as national junior college "Back of the Year" and also national junior college "Player of the Year."

A recent issue of "Juco Review," the NJCAA national magazine, proclaimed Matthews' selection as "Back of the Year."

And, finally, "Coach And Athlete" magazine, another national publication, announced the former Benvenue High School star as "Player of the Year" and subsequently presented him with a plaque certifying the award.

The 178-pound halfback has signed a football grant-in-aid with the University of Richmond in the Southern Conference, it was announced recently by Spider Coach Ed Merrick.

Chowan's head mentor, James Garrison, extended the best of recommendations for Donnie. He said, "Donnie pushed with a strong determination and made a good 'team member'."

Matthews plans to major in business administration.

COACH WILLIAM McCRAW

This was a rebuilding year for the Braves and the boys made a very good showing.

Under the direction of their new coach, Bill McCraw, the Chowan College Basketball Team ended the 1963-64 season with a 12-15 record.

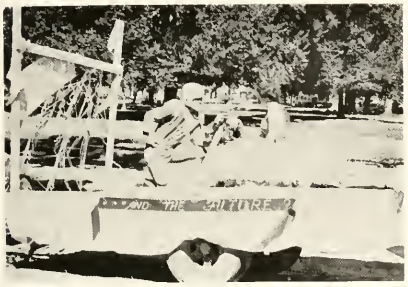
Braves Day

Brown Lady

The Brown Lady, and her friends, come to the campus each Autumn to haunt the Freshmen girls.



Homecoming Parade

The Homecoming Parade, with its many decorative floats and pretty girls, was the highlight of the weekend of activities. The floats were products of campus organizations as well as community organizations. The presence of Miss North Carolina added a great deal to the parade.

Chairman
School of Graphic Arts

The Chowan College School of Graphic Arts was established in 1952. Members of the North Carolina Press Association, and other publishers in the area, were instrumental in organizing the school of printing and locating it at Chowan. The School of Graphic Arts has a physical plant valued at more than a quarter of a million dollars. This year alone the school has added a Heidelberg press, which is the fastest and most accurate letterpress made, a copying camera, which is precision built and operated by one central electronic control panel, and an Elektron Linotype, which is "the ultimate in automation" and the fastest linecasting machine in the world. The School of Graphic Arts produced this year a complete 360 page history of the College, the monthly CHOWANIAN, the CHOWANOKA, and all other printing used by the college. The School of Graphic Arts is a great attribute to a "growing Chowan College".

The students operate the most modern Linotype machines and learn all phases of typography.

ACKNOWLEDGEMENTS

Much credit for this 1963-64 CHOWANOKA is due to the hard work, imagination and preserverance of Charles Phillip Stevens, the associate editor. He spent many hours at night and over week-ends preparing copy, layouts, and on the actual printing production of the CHOWANOKA. He is a freshman in the School of Graphic Arts.

Among others who deserve special mention are: Roby Patton (Pat) Shuffler, who is responsible for most of the photographs, other than individuals; Elbert Hubbard Arledge, Jr., and James Edward Boughan, both of whom put in many extra hours to make the CHOWANOKA possible.
